

CHECK YOUR VITAL SIGNS

Pedestrian Safety Tips

- ▶ Cross at corners and intersections. Use marked crosswalks where available.
- ▶ Before crossing look left, right, then left again.
- ▶ Use pedestrian buttons and begin crossing the street on the "Walk" signal.
- ▶ Use sidewalks or walk facing traffic where there are no sidewalks.
- ▶ Watch out for vehicles turning right on red.
- ▶ Be visible at night and in inclement weather.
- ▶ Walk sober.
- ▶ Eliminate all distractions.
